

Declaration of Conformity – REACH

BRUGG Lifting AG is a manufacturer of wire rope products and thus is a “downstream user” within the meaning of the REACH Regulation 1907/2006.

We are not subject to any obligations arising from the manufacturing and marketing of substances / chemicals to make any pre-registrations and registrations with the European Chemicals Agency (ECHA).

Our products are commodities and therefore are not defined as substances or preparations.

In additions, our commodities do not lead to an intentional release of any substances under normal and foreseeable conditions of use.

Thus, BRUGG Lifting AG is subject neither to the registration requirement nor to the requirement of producing safety data sheets.

In order to ensure the continuous supply of reliable and safe products to our customers, we ensure that our suppliers meet all requirements relating to chemical substances and materials, and that thus no substances from the candidate list of Substances of Very High Concern (SVHC) are used for the manufacture of our products. <http://echa.europa.eu/candidate-list-table>

In this connection, we fulfill the obligations of the “ECHA Guidance for Downstream Users”.

BRUGG Lifting AG hereby declares that all of our products are manufactured as REACH-compliant products.
